WEAKNESSES:

- ❖ Lack of sufficient space for introducing new subjects, add-on and certificate courses and extending library hours and facilities
- ❖ Absence of e-resources in the library and inter-library borrowing facility
- ❖ Insufficient alumni involvement in resource mobilization
- The Employment Cell needs to play a more active role in student placement

OPPORTUNITIES:

- New areas of employability such as GST, Data Analytics, e-Commerce, Entrepreneurship are opening up, where skill development can be initiated as value addition
- ❖ To provide the learning environment to think creatively and out-of-the-box
- ❖ To provide infrastructural support and learning resources to students for pursuing academic excellence
- ❖ Evening shift enables students the opportunity to pursue other courses, internship or work during the day .
- Evening courses enable students participation in sports, extracurricular and cultural activities for an all-round personality development during the day

CHALLENGES:

- Lack of conventional job opportunities.
- ❖ The course-content needs to be more job-oriented but the college plays a minimal role in the development and updating of courses
- ❖ A general reluctance among students to pursue traditional courses

Plans of institution for next year

- To digitize the Library and register with INFLIBNET.
- To approach various Industrial Houses for direct placement.
- To start Job oriented, skill-enhancing computer courses for the students.
- To start employment generating, self-financing courses like Tax-Practices, Travel and Tourism management etc.
- To revive the departmental journals for all the departments.
- To seek funds from UGC to organize state or national level seminars.

BEST PRACTICE - 1

1. **Title of the Practice:** Admission Procedure of the institution.

2. The Objective:

Advancement of learning by providing equal access to quality education to all students irrespective of financial, cultural, gender or ethnic identity.

3. The Context:

Transparent, merit-based admission procedure is adopted by the college to avoid requests relating to admission from various quarters that create pressure on the Admission Committee.

4. The Practice:

Admission of the students in this institution is made strictly on the basis of merit according to the availability of seats and fulfilment of certain legal formalities like reservation of seats for the S.C., S.T., OBC, Physically Challenged candidates as per Govt. Rules.

Starting from announcement of admission notice till the publication of merit list and generation of the Admission Form and Bank Challan for the selected candidates, the entire process is performed online.

The college has adopted a decentralized fees collection system to avoid harassment of students.

5. Evidence of Success:

The admission process has become fast and efficient.

Fulfilment of admission criteria for admission to various streams has become error-free.

It has become easier for the college office to maintain and retrieve students' records that helps further in the registration process.

6. Problems Encountered and Resources Required:

Problems:

Since the process is dependent on third party software operator, occasionally, the college faces the problem of communication gaps or time management.

As the fees collection system is yet to be made fully online, the college faces the problem of a time gap in getting the data from the bank.

Resources Required:

Close coordination among the college office, software operator and concerned bank is required for smooth and effective management of the admission process.

BEST PRACTICE - 2

1. **Title of the Practice:** Teacher Quality Assurance System.

2. The Objective:

Upgrading the quality of teaching-learning process and providing the students with innovative and creative educational services.

3. The Context:

Transparent, merit-based teacher recruitment process is followed to ensure good quality teaching learning in the college.

4. The Practice:

As the college is affiliated to the University of Calcutta, recognized by The University Grant Commission and funded by The Govt. of West Bengal, recruitment of Whole-time teachers is done as per the rules, regulations and directives of these three bodies.

For recruitment of Whole-time teachers the W.B.C.S.C. recommends three candidates from its panel for every vacant post to be filled up. The college management arranges a Staff Selection Committee having relevant subject experts and holds a separate interview for these three candidates and selects one on merit basis and places the name for ratification before the Governing Body of the college. After ratification, the Principal sends the appointment letter to the selected candidate.

For recruitment of Part-time teachers, the vacancy is advertised usually in two newspapers with wide circulation base. After preliminary screening an interview is arranged by the Staff Selection Committee with relevant subject experts as a member of the interview board. A panel of three to five candidates is prepared strictly on merit basis and appointment is given to the top ranking candidate for a period of six months or till joining of full-time staff whichever is earlier.

5. Evidence of Success:

The college has become a popular and reputed centre for undergraduate studies in the city.

The demand for taking admission to the college is increasing over the years.

6. Problems Encountered and Resources Required:

Problems:

Not adequate number of quality enhancing programmes like Orientation Programme or Refresher Courses are being organised by the Academic Staff College of the parent university.

Delay in publication of Panel of the selected candidates of UGC Whole-time teachers by the WBCSC.

Lengthy de-reservation process in case of non-availability of candidates of reserved category for UGC Whole-time posts.

Resources Required:

More and more Orientation Programme and Refresher Courses need to be organised.

Publication of advertisement and empanelment by the WBCSC for the posts of UGC Whole-time teachers is required at regular intervals.

Quick processing of de-reservation of UGC Whole-time posts is required for smooth functioning of the college.
