

## **Activity Report on the Rahi Foundation Orientation Programme on 3 December 2021**

Rahi Foundation, an NGO of repute, organized an Online Orientation Programme for the Students of the College, on 03.12.2021 from 5 p.m. onwards, to raise awareness on pertinent issues like incest, child sexual abuse and related topics. It was chiefly organized for students of the 3<sup>rd</sup> and 5<sup>th</sup> semesters, to help them understand these burning social issues, and equip them with the knowledge to prevent them and report against them on valid platforms, whenever possible.

As part of the programme, they also organized a screening of their National Award-winning Film, 'The Little Girls We Were... And the Women We Are'. Not only was the programme informative and educative, but the students thoroughly appreciated the efforts of the college and the Rahi Foundation for exposing them to the problems of the larger world as part of their education.
