

**PRAFULLA CHANDRA COLLEGE  
DEPARTMENT OF GEOGRAPHY**

**SUMMARY OF FIELD REPORT ON “PHYSICAL AND SOCIO-  
ECONOMIC SPECTRUM OF LATAGURI TOWN AND SIRROUNDING  
AREA, JALPAIGURI, WEST BENGAL”**

An educational tour was organized by the Department of Geography from 12<sup>th</sup> to 17<sup>th</sup> December, 2022 to Dooars and Surroundings, as a part of fulfillment of B.A/B.Sc. Geography Honours 5<sup>th</sup> semester (Under CBCS) syllabus under the supervision of Prof. Prithwish Kumar Roy, Prof. Chaitali Roy and Mrs. Shreya Dey. The field report entitled **“Physical and Socio-Economic Spectrum of Lataguri Town and surrounding area, Jalpaiguri, West Bengal”** was prepared by 29 students of 5<sup>th</sup> semester of Geography Honours. The area of study was Lataguri Town located in Mal CD Block in the Malbazar subdivision of Jalpaiguri District. Lataguri is a beautiful forested area supporting a lot of biodiversity. The field work undertaken revealed the physical and cultural landscape of Lataguri. Students collected primary data with the help of structured questionnaire from selected households, tourists, hotels and market. The survey results reflect the physical conditions of the town that have facilitated the growth of economic functions of the area. The town provides innumerable tourism facilities and the area is getting enriched by the improvement of the tourism sector.
