

Ref. No.: _____

Date : 12.08.2026

Notice

Students of four year **Semester-2** under CCF, who have chosen **Digital Empowerment** as **optional SEC paper** are hereby notified to attend class on **Monday, 17th August 2026** at **7.00 pm** in **Room No. 16**.

Students are also notified to **submit a report** by **21st August 2026** which can be based on any topic as given below:

- Utilizing digital technology and literacy programs to empower senior citizens.
- Engaging tech-savvy youth to teach digital literacy skills to their peers and the community, thereby reducing the digital divide in society.
- Equipping farmers with digital tools and knowledge to enhance agricultural practices and improve market access.
- Establishing digital hubs to enhance digital empowerment for underserved communities.
- Empowering women with digital skills to improve their personal and professional lives.
- Ensuring digital literacy and accessibility for individuals with disabilities, focusing on assistive technologies, accessible digital tools, developing accessible digital content and resources, training educators and caregivers on digital accessibility, and advocating for inclusive digital policies and practices.
- Educating the community about safe and responsible online behavior, emphasizing knowledge about online threats, creating strong passwords, safe browsing, cyber security best practices, and reporting and resolving cyber security issues.
- Using digital empowerment techniques to help small business owners grow their businesses.
- Encouraging children to learn coding and STEM (Science, Technology, Engineering, and Mathematics) concepts.
- Promoting digital storytelling using video, audio, and multimedia tools, content creation, editing, and publishing, and creating a community platform for sharing digital stories.

For any queries, contact the Department of Geography.
