A Teacher-Reformer-Scientist-Entrepreneur

Prafulla Chandra Ray was born on August 2, 1861 in Raruli-Katipara, a village in the district of Jessore (subsequently of Khulna), now in Bangladesh. Prafulla Chandra was the third son of Harish Chandra and imbibed the habit of free and rational thinking from his father. After receiving his D. Sc. degree from Edinburgh University (UK), he came back to India in 1887. In 1889, he joined Presidency College, Kolkata, as an Assistant Professor of Chemistry. He established Bengal Chemical and Pharmaceutical Works with some friends in 1892. His pioneering work, the first Volume of 'A History of Hindu Chemistry', was published in the year 1902. The Second Volume of the same book was published in 1909. As a working scientist he made an attempt to understand the reason of the decline of scientific spirit in our country. In 1916, he joined Calcutta University as Palit Professor of Chemistry. In recognition of his distinguished service as teacher and researcher in Chemistry as well as of his contribution towards the development of chemical industries, the British Government honoured him with Knighthood in 1919. He breathed his last on June 16, 1944.

Though a pioneer of chemical education and research in India, his activities were never confined within his laboratory and classroom, but embraced almost all spheres of human interest-intellectual regeneration, industrial development, social reform, economic freedom and political advancement of the country. Above all, he strongly responded to the cause of humanity. His ideas, words and deeds will continue to inspire us and instil in the minds of students a deeper sense of duty and a nobler ideal of service.

From the Principal's Desk

“Situated in the prime locality of South Kolkata, Prafulla Chandra College, has a rich legacy of providing higher education since 1955. Initially the college, known as City College, South Calcutta branch (Evening Section) was established primarily to offer opportunities of higher education to students who had no alternative but to simultaneously earn and learn. The college started with the aim to provide commerce education to male students; with growing demands the college was converted into a co-educational college offering a number of subjects including five Honours courses in Commerce, Humanities and Science. In its long journey of more than 60 years, the college has produced a huge number of graduates who have later established themselves in the society and are revered in their own fields. In the second cycle of NAAC assessment, the college has been graded with 'B+'.

As a progressive initiative, the college has introduced regular Post-graduation course in Commerce under the University of Calcutta. The college has already adopted a number of technology-enabled infrastructural facilities including office automation, online admission, students' database management system. During the outbreak of COVID-19 pandemic when normal classroom teaching process was completely stopped, the college introduced 'Electronic Learning Management System (e-LMS)' to continue teaching-learning process. In addition, some of the teachers used virtual platforms for direct teaching while others used emails, WhatsApp and were in direct contact with students. Since the pandemic is expected to long last, in this new-normal situation, the college has decided to use virtual platform extensively and accordingly, adopt necessary technology.

The college always believes not only in academic excellence, but also in instilling values among the students so as to ensure their holistic development that might enable themselves to achieve their goals in life. In the pandemic situation, teachers, office staff and students responded wholeheartedly to my appeal and created an example by extending their generous support to the State Government. I wish all my students, teachers and office staff alongwith their respective families good health and safety.

While the pandemic has resulted in job losses for many people, we have been receiving a number of academic verifications relating to new jobs of our ex-students, which bears testimony to their potential and ability. It is the zeal and dedication of the students that is raising the college to new heights. I hope that our students will succeed in every walk of life and maintain the glory of the college and turn our dreams into reality.”

Dr. Ratnakar Pani
Principal

PRAFULLA CHANDRA COLLEGE

A Glimpse

Prafulla Chandra College receives a rich legacy of the renowned City College, South Calcutta Branch, Evening Section, established by the Brahmo Samaj Education Society and is subsequently named in the memory of the internationally acclaimed scientist and educationist, Acharya Prafulla Chandra Roy. This leading evening college is affiliated to the University of Calcutta since 1955. It was recognized by the University Grants Commission in 1961, accredited by the National Assessment and Accreditation Council in 2007 and converted into a co-educational institution by the University of Calcutta in 2012. In the year 2016 the college completed the 2nd cycle of assessment and accreditation process executed by the NAAC and graded B+. It offers Three - Year Degree (Honours and General) Courses in the Bachelor of Arts, the Bachelor of Science and the Bachelor of Commerce. Keeping in view the growing demand by our undergraduate commerce students to start the postgraduate course, we applied to the University of Calcutta and W.B. State Council of Higher Education seeking the permission and approval to offer the M.Com Course to the students. We are pleased and proud to inform you that beginning from the academic session 2017-18, We are offering two-year M.Com Course in Accounting and Finance recognised and approved by the University of Calcutta to the students. Naturally, it is a feather in the cap of Prafulla Chandra College. Located in a very fashionable part of South Kolkata, easily accessible by frequently available railway services and other modes of public transport system from all parts of the city as well as suburbs, it is currently a government-aided co-educational evening college with huge infrastructural facilities. Its nice - looking and peaceful campus extends the scope of quality higher education to the willing students of the country and abroad.

Vision

The Vision Statement – “Shraddhavan labhate Gyanam” – emphasizes the college's firm faith in humility being the essential precondition of knowledge. It articulates the institution's dedication to instilling the right values in young learners that facilitate learning. The college envisages the creation of responsible young citizens of India in whom the drive for personal success co-exists with the zeal for preserving the rich heritage of the country.

Administration

The college is government-aided with a decentralized organisational structure. As the Governing Body of the college believes in the philosophy of liberal democracy and participative style of management, the Principal manages this institution in consultation with the Teachers' Council, various statutory and recognized committees formed periodically with authorities and responsibilities clearly outlined in consonance with the rules and regulations of the Calcutta University, UGC and Govt. of West Bengal.

Infrastructure

Spacious, airy and well-lit classrooms in a four-storied building equipped with adequate furniture and other necessary arrangements required for audio-visual presentations.

- ◆ Audio-Visual teaching aids like overhead projector, slide projector, laptop, handycam, computer, scanner and printer etc are available for use.
- ◆ A computer centre exclusively for serving the requirements of the students.
- ◆ College library (central library, seminar library, staff room library, and UGC book bank) with a rich collection of books, journals and periodicals.
- ◆ A modern office with a pool of efficient and cooperative employees.
- ◆ A laboratory and a departmental library exclusively for the students of Geography.
- ◆ A huge and well maintained reading room to serve a large number of students at a time.
- ◆ A well-maintained auditorium for conducting seminar, workshop etc.
- ◆ A large canteen, where food is available at a subsidized rate, is run by the college to cater to the needs of the students.
- ◆ A play ground and two common rooms (one for boys and another for girls) for the use of the students.
- ◆ A cheap store for getting books and study materials at a concessional rate. Purified drinking water and well-maintained lavatories in each floor of the college building.
- ◆ A high-power electricity generator as a standby option in case of power cut.

Teaching Faculty

For the last five decades, the college is rendering commendable services to the students with the help of highly qualified, knowledgeable and competent teaching faculty. Apart from teaching and evaluation, the faculty members of this college regularly participate in seminars, conferences, workshops and other academic programmes both at national and international levels. They publish text books and research papers in various journals of national and international standard. Some of them even deliver talks on radio, television and carry out academic assignments with various

universities. They conduct research projects, programmes and also take part in the decision making process of the college.

Pedagogy

The driving force of the college teaching-learning process is to go beyond simple chalk and talk. Besides classroom lectures, audio-visual presentations are also arranged to make the learning process enjoyable. Educational tours are conducted by the college every year. The students are encouraged to write reports on their respective educational excursions and the reports are often published in the departmental journals. Departmental seminars are organized where experts are invited for presentations. Students' seminars are also organized where the students are encouraged to make presentations. Education fairs and career fairs are also organized by the college to expand their vista of knowledge.

Evaluation

Continuous evaluation in the form of question - answer session at the end of the class is given the top most priority in the day to day classes. While lecturing, relevant questions are also flung in the class and the students are asked to respond. Besides these continuous assessments, various tests are conducted as per the University of Calcutta guidelines. The college examination routine is framed giving the students sufficient time for their preparation. Based on the performance of the students at the various college examinations and fulfillment of other criteria, the students are finally declared eligible to appear for the university examination.

Research Work and other programmes

The University Grants Commission has approved research projects for the college based on the submission of application by the faculty of the college. Besides research projects, the college conducts Consumer Awareness Programmes in collaboration with the Department of Consumer Affairs, Govt. of West Bengal.

UGC Network Resource Centre

To create awareness among staff and students about the use of computer in various activities like administration, finance, examination and research, the college is managing a network resources centre financed by the UGC.

Remedial Class

The University Grants Commission is financing this college to conduct a programme on special remedial classes for the Scheduled Caste, Scheduled Tribe and religious minority students

coming from the non-creamy layers of the society. Classes are held on a regular basis and no fees are charged from the students. Books are provided to the needy students free of cost. Apart from this special group of students, general students can also avail this facility of remedial classes at a very low fee.

Training Centre

(For Entry Into Services)

A programme to train the Scheduled Caste, Scheduled Tribe and religious minority students, coming from the non-creamy layers of the society is run by this college to enable them to get entry into the services. Generally this training is imparted by the resource persons of renowned external agencies. This programme is financed by the University Grant Commission and as a result, no fees are collected from the students. Books are provided to the needy students. General students are to pay a nominal fee for availing this training facility.

Academic And Personal Counselling

Teachers participate in formal academic counselling and informal personal counseling. Even parents or guardians of students are called up for counseling in personal academic matters, if required. Students can meet the teachers at a specific time for informal academic counseling on subjects, like discussion on choice of subjects, effective study skills, higher-educational and career goals etc. In this way, the college supports the students to achieve their desired objectives.

Computer Centre

The college has a computer centre with internet facilities where students and faculty members are given free access. Such facility is available during the college hours only.

Games and Sports

The college has gained a special standing in the field of Games and Sports over the years. The college bags the University prizes in the field of football, cricket and rowing etc. almost every year. The college has a small playground where the students practice football, cricket, basketball and volleyball and in addition, they practice football and cricket in the nearby public playgrounds and practice swimming and rowing in the nearby Dhakuria Lakes. For indoor games, table-tennis board and carom boards are also available in the students' common room. To encourage the players, the college authority provides sports materials, blazers and jersey etc. to the outstanding performers in sports and games as incentive. It spends a sizeable amount of funds every year for the development of games and sports. Intra-college games, competitions comprising football, cricket and indoor games are organized every year in a jovial ambience.

Cultural Activities

'Anubhav', the college magazine, is published with the combined endeavour of college staff and students. The college encourages students to participate in cultural programmes within and outside the college campus. The annual social, cultural fest, Freshers' Welcome, debate, dance, drama, music, quiz competition and various cultural programmes are organized either in the college auditorium or in the college ground and sometimes in the public auditorium.

Concessions, Stipends and Scholarship

Prafulla Chandra College is always generous to make its educational services available to the lower income groups by providing financial concessions. The Students' Aid Fund is utilized to give financial assistance to deserving students for the purpose of purchasing books, other necessities and for payment of the college dues. Government stipends for the Scheduled Caste, Scheduled Tribe and religious minority students and scholarships from the college fund are also awarded to deserving students of the college. Students in need of concession should apply to the Principal of the college. Applications for concession or free studentship are considered on production of necessary authentic documents and fulfillment of other criteria laid down by the college authority.

Communication System

Every student is free to contact any teacher or administrative staff of the college within the college hours to communicate any aspect concerning studies and other campus related issues. The teachers and the administrative staff pay attention with a very sensitive mind to the students' views and try to solve their problems. Besides, a box has been kept in front of the office for communicating the grievances and suggestions of the students.

Alumni Association

The alumni of the college promote fellowship and maintain contact among former students, former teachers and non-teaching staff. A good number of members of the alumni are well-established in different walks of life and the college is proud of them. The various extension activities undertaken by the college are executed with whole hearted support and co-operation.

Students' Union

The college has a students' union, an elected representative body, of all the students. The Principal is the ex-officio President of the students' union. Games, sports, debate, dance, drama, music, quiz competition and various cultural programmes are organized and participated by the students. They also take part in the decision making process of the college. Representation of the students in the various committees of the college has been very helpful in identifying the needs of students and also in prompt redressing of grievances. Consequently, a healthy student-staff relationship enriches the campus environment.

St. John's Ambulance Division

The college, in collaboration with St. John's Ambulance division, inculcates civic awareness among the students through presentations on environmental awareness, adult literacy, and conducting medical camps etc. Practical first-aid programmes are also organized by them periodically.

Extension Activities

The college is involved in extension activities such as conducting classes at the adult education and literacy centre, community development programmes at old age homes and at children's orphanages, environment awareness programmes, medical camps cancer and AIDS awareness programmes etc. These multidimensional activities help the students to keep themselves informed about the world outside and to be aware of the problems of society in general.

Regulations relating to admission to the two year Post Graduation Degree course in Commerce

The 2-year Post Graduation Degree course in Commerce (M.Com.) of the University of Calcutta shall be conducted by the Department of Commerce, Prafulla Chandra College. The College follows the syllabus and rules relating to admission, attendance and conducting of examination framed by the University of Calcutta. However, the college may frame, from time to time, such subsidiary rules of admission, as and when the Board of Studies deems it necessary.

General Rules

Registration

A candidate admitted to the M.Com. Course shall be registered as a student of the University of Calcutta.

Students of Universities other than the University of Calcutta require the submission of migration certificate for registration.

Duration

The duration of the course is of two years, with Part I and Part II examinations conducted after each year respectively.

It is mandatory to attend the lectures and academic programmes arranged in course of the curriculum.

Students admitted to this course shall not be allowed to enroll themselves in any other regular course. However, they are permitted to pursue courses like CA, ICMA, CS, etc.

Attendance

As per the University norms, a student is required to attend at least 65% of the total lectures delivered.

Students securing attendance less than 65% but more than 55% shall be deemed as 'non-collegiate' and may be allowed to appear in examination by the appropriate authority after paying the fine amount. However, the decision of the authority in this regard shall be binding on the student.

Examinations

The examination shall be held in two parts -Part I and Part II, containing 10 papers of 50 marks each.

Each paper (50 marks) consists of an internal assessment of 10 marks and written test of 40 marks.

Prospectus '20-'21

A student must secure at least 35% marks in Part I to be eligible to appear in Part II.

A student will be declared unsuccessful if he/she fails to secure at least 40% marks in the aggregate at the end of Part II.

Those who score 40% or more but less than 60% will be declared to have passed in the second class and those securing 60% or more will be declared to have passed in the first class.

“হাই স্কুল হইতে ছেলেরা যখন প্রথম কলেজে পড়িতে আসে, তখনই তাহাদের মন যথার্থরূপে শিক্ষাগ্রহণের উপযোগী থাকে। কুস্তকার যেমন কাদার তাল হইতে ইচ্ছা মত মূর্তি গড়ে, – এই সময়ে ছেলের মনও তেমনি ইচ্ছা মত গড়িয়া তোলা যায়। আমি কোন নির্দিষ্ট পাঠ্য গ্রন্থ ধরিয়া পড়াইতাম না। যদি সেসনের প্রথমে কোন ছাত্র আমাকে জিজ্ঞাসা করিত, কোন বই পড়িতে হইবে – আমি উত্তর দিতাম, যদি কোন বই কিনিয়া থাক, পোড়াইয়া ফেল এবং আমার বক্তৃতা অনুসরণ কর।” অবশ্য বাজার চলতি কোন বই অপেক্ষা উচ্চশ্রেণীর কোন মৌলিক গ্রন্থ হইলে, আমি তাহা পড়িতে পরামর্শ দিই।”

“এই প্রসঙ্গে, বর্তমান কলেজে সাহিত্য ও বিজ্ঞান যে প্রণালীতে পড়ানো হয়, তাহার কথা স্বভাবতঃই আসিয়া পড়ে। কেবল ছাত্রেরা নয়, অধিকাংশ শিক্ষকও গতানুগতিক প্রথার দাস হইয়া পড়িয়াছেন এবং তাঁহারা কেবলমাত্র পাঠ্যপুস্তক গুলিরই অনুসরণ করিয়া থাকেন। বর্তমান শিক্ষাপ্রণালী আগাগোড়া দূষিত হইয়া উঠিয়াছে। যদি কোন শিক্ষক পাঠ্য পুস্তকের বাহিরে গিয়া, নূতন কোন কথা বলিতে চেষ্টা করেন, তবে ছাত্রেরা বিরক্ত ও অসহিষ্ণু হইয়া উঠে। তাহারা প্রতিবাদ করিয়া বলে, “স্যার, আপনি বাহিরের কথা বলিতেছেন, আমরা এগুলি শুনিয়া মন ভারাক্রান্ত করিব কেন? পরীক্ষায় পাশ করার জন্য এগুলির প্রয়োজন নাই।”

যদি পাঠ্যপুস্তকগুলিও ঠিক মত পড়া হইত, তাহা হইলেও আমি খুশী হইতাম। কিন্তু কয়েক বৎসর হইল ব্যাপার আরও শোচনীয় হইয়া উঠিয়াছে। ছাত্রেরা পাঠ্যপুস্তকগুলি পরিহার করিয়া তৎপরিবর্তে সংক্ষিপ্তসার, নোটবুক প্রভৃতি পড়িতেছে।”
